Elevating the essence of mosque services

COMPANY OVERVIEW

COMPANY OVERVIEW

World Mosque Services Company was established in 2016. It is considered the largest company in the world specializing in all mosque needs under one roof. It opened its main Headquarters in Riyadh on an area of more than 1,500 sqm., then opened its first branch in Jizan, and it is in the process of opening its next branches during the next two years in Jeddah, Dammam, Qassim and Tabuk, after which the Museum of the City of Mosques will be inaugurated on an area of more than 10,000.00 sqm., in both Mecca and Riyadh, and the company is proud to have provided its services to more than 25,000 mosques during its busy career.

The World Mosque Services Company is a leading organization established to cater to the diverse needs of mosques globally. With a commitment to excellence and innovation, the company has positioned itself as a key player in the market, specializing in providing comprehensive services and products essential for mosque operations. Our mission is to enhance the worship experience by ensuring that mosques have access to the necessary resources under one roof.

OUR COMPANY

The World Services Company engages in the construction, maintenance, and renovation of Mosques, providing a comprehensive range of services that includes supplying water, carpets, sound systems, and providing copies of the Quran and their stands, among other mosque-related services. The company's Headquarters is located in heart of Riyadh, in Al-Murooj dist. Imam Saud Street, at the intersection of Al-Olaya.

CHAIRMAN MESSAGE

Dear Brothers and Sisters,

*Peace be upon you and God's mercy and blessings,
Welcome to the World Mosque Services Company, where you can explore the achievements and accomplishments we have gained over the past five years since our establishment in 2016. We have continually thrived under the generous patronage, guidance, and unwavering support of our wise leadership, may God grant them success.*

Our company is committed to enhancing the pioneering and leadership roles of commercial institutions and companies, contributing to the realization of our national aspirations. We also intend to align with Saudi Arabia's Vision 2030 and the developmental renaissance led by the government of the Custodian of the Two Holy Mosques, may God protect them, across all sectors. In this prosperous era, our company has harnessed all its capabilities and resources to secure a prominent position on the national development map.

Moreover, our company continues to pursue harmony with the dynamics of development in line with our institutional identity and strategic plan. In conclusion, we are delighted to have you visit our company's web portal, and we look forward to meeting you soon.

May God grant us success...

MISSION

MISSION

Striving to meet the community's desires to build, rehabilitate and operate mosques according to designs and specifications subject to the highest quality standards that exceed expectations through our accumulated experience in the field.

VISION

VISION

We aspire to achieve a leading position in the Kingdom of Saudi Arabia, enhancing the role of mosques to become social and cultural centers. We aim to present them as modern models that align with the teachings of our noble religion, ensuring that the mosque becomes the preferred choice for all residents of the neighborhood, regardless of their backgrounds and affiliations.

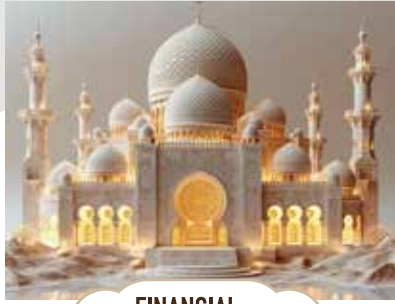

OBJECTIVES

OBJECTIVES

- Instill the role and significance of the mosque within all segments of society and reintroduce it in a new light, ensuring it fulfills its community role in residential neighborhoods.
- Strive to achieve partnership and interactive relationships with local residents, enhancing the mosque's contributions in economic and social aspects.
- As part of its annual plan, the company aims to build partnerships and collaborate with various social organizations both within and outside the Kingdom.
- Promote the concept of integrated mosques beyond Saudi Arabia to share best practices and successful models.

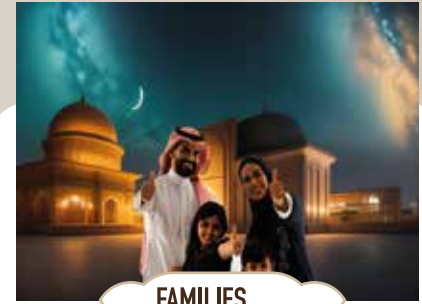

FINANCIAL

Establishing and creating economic projects capable of covering the operational costs of the mosque is essential to ensure sustainability and secure financial flows. These initiatives aim to generate revenue that supports the ongoing maintenance and enhancement of the mosque's services, ensuring that it remains a vital community resource.

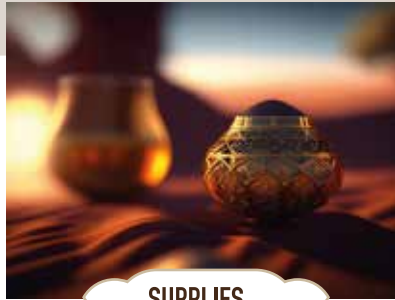

QUALITIES

We strive to implement optimal uses of smart tools and alternative energy sources, ensuring the highest levels of quality to provide cost-effective solutions and reduce operational expenses. Our commitment to quality extends to every aspect of our projects, enhancing efficiency and sustainability while serving the community effectively.

FAMILIES

Among the goals the company aspires to achieve is to strengthen the connection between families and children with the mosque. This will be accomplished by providing numerous urban spaces for the establishment of various economic and cultural projects and activities. Such initiatives aim to foster community engagement and create vibrant environments that promote active participation in the life of the mosque.

SUPPLIES

Providing services and essential supplies for mosques under one roof is a key objective. This includes ensuring the availability of all necessary items, from prayer rugs and Qurans to maintenance services and other essential resources. By centralizing these services, we aim to simplify the support for mosques, making it easier for them to operate effectively and serve their communities.

COMMUNITY

Contributing to community assistance for individuals with disabilities is a core focus. This includes providing services such as sign language support, real-time translation of sermons, ensuring accessible seating for the elderly and those in need, and offering transportation for seniors to and from the mosque. These initiatives aim to create an inclusive environment that welcomes all members of the community and ensures their active participation in mosque activities.
